Current News:

- ✳ **MRA recently finished designing the MEP/FP systems for the Medallion Parking Facility, located in Scranton, Pa.** The project features a seven-level, 177,000 square foot building, supplying 513 parking spots for downtown Scranton. There will be two retail suites and a restaurant, totaling over 12,000 square feet. The original medallions from the existing building will be restored for the new structure. The Scranton Parking Authority feels this is a great way to preserve the history of Scranton. Bids are due this month. Construction Manager for this project is Turner Construction. Architecture was designed by Burkavage Design Associates, Clarks Summit, Pa.
- ✳ **The Social Security Administration is renovating the first floor of the Oppenheim Building, located in Scranton, Pa.** The building is listed with the National Historic Register. Of the 198,000 square foot building, the SSA will lease 21,000 square feet. Together, MRA and MOS Design provided their services for this project.
- ✳ **Automotive Training Center - Construction recently began on the new training facility located in Warminster, Bucks County, Pa.** The facility consists of 70,000 square feet, situated on 10.5 acres of land. In addition to the service and paint shops, the facility includes a 21,000 square feet Annex of classroom space and specialized shop areas. Architecture was designed by Williams Kinsman Lewis P.C., Wilkes-Barre, Pa. Check out ATC's website at www.autotraining.com.
- ✳ **Martin Rogers Associates continue its ongoing relationship with Geisinger Health System.** Geisinger projects that MRA is involved with, in various stages of design and construction, include; waiting room renovations in Danville, a pediatric heart catheterization lab in Danville, renovations to the inpatient psychiatric ward in Danville, expansion of the neonatal intensive care unit in Danville, patient room alterations on the fifth floor in Wilkes-Barre, and service upgrades to the operating rooms in Wilkes-Barre. MRA has been involved with over thirty projects with the Geisinger Health system in the past four years.

Feature Project: Community Medical Center, Scranton, Pa

Community Medical Center Healthcare System recently finished construction on their Emergency Department Expansion and Renovation project. The four-million dollar project included additions and renovations to the Emergency Department, Labs, Medical Records, and Diagnostic Treatment. Architectural new work

included 20 patient exam rooms, 2 nurse stations, central waiting area, nourishment, and miscellaneous support and administrative spaces. Renovation work included enlarging exam rooms and improving the radiology department. MRA provided MEP/FP consulting engineering for 10,000 square feet of additions and 5,000 square feet of renovations. HVAC design included renovations to existing duct distribution system, new rooftop air-handling unit, extension of high pressure steam main to new area and provision of air-cooled chiller, chilled water distribution and hot water distribution to zone reheat coils. General plumbing, including medical gas systems and sprinkler, was designed to support the Architectural program. Electrical design included normal and emergency distribution, interior normal and emergency lighting, nurse call, security, fire alarm and data/communication systems. Architectural design by Burkavage Design Associates, Clarks Summit, Pa.

Office News:

★ *Manish Patel, P.E., recently passed his professional engineering exam, and is now licensed in the state of Pennsylvania. Manish holds a degree in architectural engineering from Penn State University, and currently is a project mechanical engineer with MRA.*

★ *Ronald White, E.I.T., has successfully completed his Pennsylvania engineer in training exam. Ron holds an associate degree in mechanical engineering technology from Penn State, and has over 12 years of experience in the design of mechanical systems.*

★ *Dean Gavarn, E.I.T., recently attended a lighting seminar and exhibit at Insight Lighting, Rio Rancho, New Mexico, as part of MRA's continuing effort to keep our staff current on available technologies.*

★ *MRA recently participated in the 17th Annual Bloomsburg Hospital Memorial Golf Tournament at Frosty Valley Golf Club, Danville, Pa. The proceeds benefited the Bloomsburg Hospital. Team of Randy Levine, Lou Shapiro, Dave Sanders and Ted Laubach won first place.*

★ *MRA also participated in the Penn State, Wilkes-Barre, Alumni Society's Golf Tournament at Blue Ridge Trail Golf Course, Mountaintop, Pa, with proceeds benefiting student initiatives, and the Maxis Foundation Golf Tournament which benefited the Marian Community Hospital and Tri-County Human Services.*
